

Part Time Spanish Teacher Job Opening

Landenberg Christian Academy is seeking a part-time Spanish teacher for students in K-6th Grade. The goal of our Spanish education program is to introduce students to the Spanish language and provide a solid foundation of both written and verbal communication in Spanish. It is our desire for students to grow in their vocabulary development, as well as be able to communicate in Spanish both orally and in writing by the time they graduate from LCA. Our program also seeks to instill in students a greater appreciation for and understanding of cultures of the countries where Spanish is spoken.

Qualified applicants should possess teaching experience and be fluent in speaking, reading and writing the Spanish language. Although resources are provided, such as the "Hola!" Textbook series by McGraw Hill, applicants will need to create their own lesson plans and curriculum.

LCA is looking for a Spanish teacher who has a love for elementary-aged children, has a strong commitment to Jesus Christ, is flexible and creative, and has a desire to make learning the Spanish language engaging, hands-on and fun.
