Referral Incentive / Tuition Credit: If classes are not yet full for the school year, LCA will credit 10% of a referral student's paid tuition to the referring family's tuition account. The funds may be immediately used to lower the balance due based on the existing payment plan or it may be retained in the account as a credit to the future tuition expenses at LCA.

Tuition Assistance: If Christian education expenses have become too burdensome, LCA encourages families to apply for Tuition Assistance. Approximately one-third of LCA families receive tuition assistance.

Ministry Discount: LCA offers a discount to those actively serving in full-time Christian ministry. Please call the school office for more details.

Payment options: LCA accepts four (4) payment options: in full (Jul), semi-annual (Jul / Jan), ten month (Jul - Apr) and eleven month (Jul - May).

* Except as provided in the handbook, fees and payments are non-refundable.
