

## **STEM Teacher Job Opening**

Landenberg Christian Academy is seeking a part-time STEM (*Science, Technology, Engineering, Mathematics*) for students in K-6<sup>th</sup> Grade. The goal of our STEM program is to engage students in solving real-world problems that require to use skills from multiple subject areas. STEM education shows students how the scientific method can be applied to everyday life. Our program seeks to engage students in real world applications of problem solving and hands-on activities that spark a passion for learning.

Qualified applicants should possess teaching experience and a broad working knowledge of STEM curriculum, activities and lessons. Applicant should be comfortable developing lesson plans and a STEM related curriculum.

LCA is looking for a STEM teacher who has a love for elementary-aged children, has a strong commitment to Jesus Christ, is flexible and creative, and has a desire to make learning fun and engaging.
